**Proposed Resolution  
South Delta Environmental Education and Interpretive Center**

*The South Delta Environmental Education and Interpretive Center is currently being advanced toward acquisition of land through the authority of the Yazoo Backwater Pumps Project. Delta Council encourages the U.S. Army, Corps of Engineers to proceed with acquisition of the preferred site identified through the feasibility study and selection process. Of special significance, Delta Council urges the Corps of Engineers to identify and work with the sponsor of the Yazoo Backwater Pump Project to ensure that the construction, operations and maintenance remains a federal responsibility. Delta Council also encourages the sponsor and the Corps of Engineers to reach a common agreement for the future terms and conditions for operation and maintenance of the federal facility.*
