To Whom It May Concern:

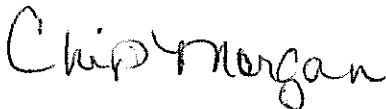

This correspondence is related to the Delta Honor Graduate application being submitted by Maury McClellan. It is a privilege and honor for me to serve as a reference for Maury, and the attachment of her accomplishments and her personal character speak volumes about the reputation which she has earned among her peers, her school instructors, school administrators, and her Church.

Maury is an extraordinary and highly-principled young person, with keen interpersonal skills and a very mature outlook on the many challenges which face the 21st Century teenage population.

I strongly endorse her nomination for this high honor and potential recognition as the 2020 Delta Honor Graduate.

If there is any additional information which I need to share with the Selection Committee, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "Chip Morgan". The signature is written in a cursive, slightly slanted style.
