- Marketing / Competitiveness-Building Grants
- Organizational Excellence Grants

**Applicant information**

Applicant:	Title:
Organization:	Organization Type:
Address:	City, State, Zip:
Phone #	Email:

**INSTRUCTIONS TO APPLY**

**Applicants must attach to this Grant Application Coversheet a full project description as outlined below containing information described in each of the sections. Please limit each section to space constraints indicated.**

**I. Description of Project**

Outline type of project and applicant's approach to planning, execution and planned implementation. Describe anticipated results and/or benefits to the organization / its target audiences. Address how the Entergy MS Excellerator Grant will be used.  
*Limit to one page, front/back.*

**II. Budget / Grant Request**

State grant request. Outline costs associated with planning, creation, and completion of the proposed project. *(Do not include staff costs or internal costs for activities that are a part of the applicant's routine processes as such costs are ineligible.)* Attach proposals / estimates from selected outside vendors. Summarize all costs as well as applicant investment on a *single page, front and back if necessary.*

**III. Timeline**

Outline project approach, execution, completion, implementation, and vendor payment, culminating with completed project presentation to Grant Committee.  
*Limit to half-page summary.*

**IV. Additional comments**

Is there anything else the Committee Should consider?  
*Limit to half-page summary.*
