Delta Research and Extension Priorities:

Research and Promotion Boards

Delta Council acknowledges the vital role played by the farm leadership ~~which~~ ***who*** dedicates time and energy to the work of the research and promotion boards (checkoff programs) for ***catfish***, cotton, corn, rice, and soybeans. Also, we remain mindful ~~of~~ ***and should always fully recognize*** the important role which the sponsoring organizations such as ~~the respective State-wide commodity associations,~~ the Mississippi Farm Bureau Federation, ***the Mississippi catfish feed mills, the Mississippi Corn Growers Association, the Mississippi Rice Council, the Mississippi Soybean Association,*** and the Mississippi Feed and Grain Association play in ~~nominating~~ ***supporting*** individuals to serve on these important boards.

~~All growers of crops in the State of Mississippi owe a deep debt of gratitude to those who currently serve and those who have served in the past, to carry out the goals and objectives of the respective organizations and the growers of the State of Mississippi.~~
