Delta Research and Extension Priorities:

Research and Promotion Boards

Delta Council acknowledges the vital role played by the farm leaders who dedicates time and energy to the work of the research and promotion boards (checkoff programs) for catfish, cotton, corn, rice, and soybeans. Also, we remain mindful and should always fully recognize the important role which the sponsoring organizations such as the Mississippi Farm Bureau Federation, the Mississippi catfish feed mills, the Mississippi Corn Growers Association, the Mississippi Rice Council, the Mississippi Soybean Association, and the Mississippi Feed and Grain Association play in supporting individuals to serve on these important boards.

Adopted by: Delta Council Board of Directors
November 12, 2018
